BULLSBLAST 2021

GENERAL EVENT INFORMATION:

This is the 14th Annual Bulls Blast supporting USF Athletics and the Linda and Randy Simmons Athletic Scholarship Fund.

Shooting Period: 10 a.m. – 1:00 p.m. All scoring sheets must be turned in by 1:00 p.m. to be included in the awards scoring – No Exceptions. Please be mindful of the need to finish on time and pace yourself accordingly.

Lunch and Presentation: At 12:30 p.m. we will sound a 30 minute air horn warning and begin serving lunch. A brief program, awards ceremony, and final raffle drawing will be held between 1:00 – 2:00 p.m.

Course Assignments: Four Courses will be available. Each team will be assigned a starting station and will rotate through 7 stations in numerical order. Example: You may be assigned to start on #3. Your next stops are 4 to 7, then 1 & 2. Please do not take the stations out of order as it will result in congestion and slow shooting.

Scoring Rules: Each team consists of 4 shooters. If your team only has 3 shooters, then each team member will rotate shooting the 4th slot and record his or her score on the 4th scorecard. USF coaches and other celebrities will be assigned to specific stations throughout the course. The coach/celebrity will act as a 5th shooter on that station. If the coach/celebrity has a higher score than one of the four team members, the coach's score will be used in lieu of the lowest score. Only the highest 4 scores on each station will be included in the final score tabulation. See scorecards for more detailed information. Each team member is to score a maximum of 50 shots. Each shooter will receive one complimentary mulligan (2 shots) for a maximum of 52 shots taken, but only the best 50 are counted in the final score.

Assigned Golf Carts: A clipboard with your team name on it will be placed on the seat of your cart to help you identify your assigned cart. The clipboard will contain scorecards for each team member. The scorecards will identify your team's starting course and station number. Each team member's name should be written on a scorecard before commencing shooting.

Ammunition and Shot limitation: Each shooter will receive 50 rounds of either 12 gauge or 20 gauge ammunition and one complimentary mulligan (2 shots). If you require a different type of ammunition, you are to provide your own ammunition. Celebrity shooters will have their own ammunition but may ask to utilize a gun from one of your team members if they do not have their own gun. Should there be a malfunction of a machine the celebrity/shooter will provide replacement ammunition. **Only TBSC personnel are authorized to address malfunctioning equipment; they will be rotating around the course to assist with any such matter.**

Please help us stay on schedule by adhering to the 50 shot maximum rule. Adhering to this request also maximizes scholarship proceeds, as TBSC charges by the clays shot. Even if you are using your own ammunition, shooters taking extra shots slow down the speed of the course rotation and delay the event.

Course Assistance: Should you need assistance while on the course, please seek out a volunteer wearing an **EVENT STAFF** vest. They will be in golf carts roaming each course to assist with questions, directions, provide additional shells, etc. Additionally, TBSC staff will be rotating around the course to provide assistance.

Most importantly have fun!
